Re typos in Notice of Appeal, Decision # 75047, Docket # E-01345A-13-0069

Commissioners;

Three typos in my Notice of Appeal docketed yesterday have come to my attention and are in need of correction.

1.) Page 4, line 34, the sentence that reads, "Thus, at no time would an executive session seem to fit under the spirit or the word of A.R.S. 40-254(E)." should read "Thus, at no time would an executive session seem to fit under the spirit or the word of A.R.S. 40-253(E)."

2.) Page 6, line 18, the sentence that reads, "Just because APS is capable of reading meters at quicker intervals does mean the law has changed." should read "Just because APS is capable of reading meters at quicker intervals does not mean the law has changed."

3.) Page 12, line 14, the sentence that reads, "Brazenly, the lie has been repeated in Decision # 74871 as a "Finding of Fact." should read "Brazenly, the lie has been repeated in Decision # 75047 as a "Finding of Fact."

Sincerely,

Warren Woodward
